Dear Friends,

Happy New Year! I hope you are enjoying the wonders of the season. As I write this, we are progressing on the installation of the new boiler at the Saint Francis Xavier Church – and raising the funds to pay for it. We estimate the cost of the project will be \$125,000. I have decided to donate \$5,000 (in addition to my year-end gift). I am hoping that 25 others will join me with a similar gift. Then the cost of the new boiler will be covered. If you would like to support this important project, you can send a check to the parish office or donate via GiveCentral.org by scanning the QR code at the bottom of the page. You need not give \$5,000. Any amount will help

Today the Church celebrates the Feast of Mary, Mother of God. In my lifetime, this holy day has been called three different names: The Feast of the Circumcision of Christ, World Day of Peace, and the Solemnity of Mary, Mother of God. Since 1974, we have been celebrating the liturgical feast of the Blessed Virgin Mary on January 1st, which is the eighth day of the Christmas Octave.

Only Christmas and Easter enjoy the privilege of an octave, which is an eight-day extension of the feast. In 1974, Pope Paul VI removed the feast of the Circumcision of Christ from the liturgical calendar and replaced it with the feast of the “Solemnity of Mary, Mother of God”, bringing Mary’s feast day back to the first day of the year. The feast is a celebration of Mary’s motherhood of Jesus. The title “Mother of God” is a western derivation from the Greek Theotokos, meaning “God-bearer”. On this day, we are reminded of the role that the Blessed Virgin played in the plan of our salvation, and still plays today.

Through the Holy Spirit, God the Father prepared Mary to be the dwelling place where His Son and His Spirit could dwell among us. Christ’s birth was made possible by Mary’s fiat, or sanctioning of God’s plan with her words, “Let it be done to me according to thy word”. Calling Mary “Mother of God” is the highest honor we can give to her. Just as Christmas honors Jesus as the “Prince of Peace,” the Solemnity of Mary, Mother of God honors Mary as the “Queen of Peace”. New Year’s Day is also designated as the “World Day of Peace”, further acknowledging the role of Mary in our hearts and in our world.

So we begin the New Year. We do so with Mary as our mother and as our Queen of Peace. Mothers teach their children how to live and how to love. I don't think there can be a better teacher for us than Mary. What does she teach us? Mary, by her words and by her deeds shows us how to live as beloved children of God.

Today’s Gospel strikes me in a special way. My devotion to Mary has always been due to her relationship to the Father and to the Son. She immediately said yes to the Father and remained faithful to the Son throughout his whole life - even when he suffered and died - ultimately until the time he ascended into heaven. But today’s Gospel portrays the new mother welcoming the shepherds to meet the Christ child. Mary welcomed the shepherds - the smelly, poor, forgotten ones, the ones on the fringes – into her humble birthing place. Our mother teaches us, then, to welcome the poor into our hearts and into our lives. Mary reflected on God’s work in her life. In doing so, our mother teaches us. She teaches us to be aware of all that God does for us and to reflect on God’s goodness.

As we begin a new calendar year, let’s do so with Mary our mother, model and teacher. Let’s agree to welcome those on the fringes and be with those the rest of the world forgets. Let’s resolve to be aware of and reflect on God’s movement in our lives. When we do, it will be a Happy New Year!

Peace,

If you would like to support our boiler project, you can scan the QR code here.
Thank you.
