Thank you for making Saint Francis Xavier Parish an important part of your family's life! We look forward to a partnership with you in forming your children in faith.

Gospel Weeklies
Pflaum  FAITH FORMATION PROGRAM

The Pflaum materials:

Center on the Gospels and Scripture readings of the Sunday Liturgy of the Word.

Show how traditions and doctrines flow from the Gospels.

Rrelate the Gospels to young people's lives and to contemporary issues and concerns.

Feature examples of contemporary Christians who model living Jesus' way in our times.

Our goal in using these weeklies is that it will prepare our young people to participate actively in the Sunday worship of the parish. It is here that they will come to experience community with God and their neighbors.
