Principal, The Schools of Saints JFX*

Hello and Happy 2021!

As we begin a new year at Saints Joseph and Francis Xavier Schools, we have much to celebrate and be grateful for, and we have a lot to look forward to in the year ahead!

The 2020-2021 school year has presented many unique challenges and scenarios for us at Saints Joseph and Francis Xavier Schools, just as it has in schools throughout the Chicagoland area and around the world. I'm happy to share that the prayers, support, and incredible generosity of our entire parish and school community have had a profound and lasting impact on the opportunities that we have created for our nearly 600 students across both campuses this year.

I am extremely grateful and proud of the fact that we have been able to provide full time, in-person learning for our students five days per week since we started the school year in August. It has not always been easy, as we have truly recreated many aspects of our school days and traditions. We have done so thanks to the commitment of our families and parishioners who have generously provided needed supplies such as tents, heaters, air purifiers, and PPE, along with giving countless volunteer hours as health screeners, movers, and behind-the-scenes planners. Kudos to all of you! This school year would not be possible without our amazing team of 90 dedicated faculty and staff members. Their hard work, diligence, grit, and commitment to our students have been remarkable. They have been rock stars this year, and they have led with grace, flexibility, creativity, and smiling faces.

Most of all, I celebrate our students! From our youngest 2-year-old to our eighth-grade leaders, they have been utterly amazing through all the change. Their resilience and willingness to do things differently, coupled with their excitement for the opportunity to learn together in person with their friends and teachers each day, have made each day a gift. We were all concerned about the students and their ability to adapt, wear masks, follow new directions and routines. Through all of this, they have continued to learn and grow, and they have far exceeded all our expectations! They have done so with smiles, joy, curiosity, and newfound appreciation for so many things in their young lives that they (and we) took for granted prior to March 2020. Our students are amazing, and we should all be most proud of them!

We look forward to celebrating Catholic Schools Week (CSW), which begins on January 31, 2021. While many of our traditional CSW celebrations will look different this year, we will take time during this week to celebrate all the gifts of a Catholic education and the many people who

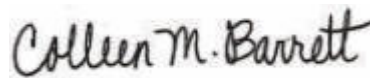

make our schools the best they possibly can be for our students each day! Being supported by such a loving, generous, faith-filled Saints JFX parish community has a strong daily impact on our students and entire school family. The involvement of Father Wayne and Monsignor Mayall in the life of our school campuses is one of the best gifts we have at Saints JFX. Our students, from our youngest preschoolers to our oldest eighth graders, truly benefit from the leadership and example that they provide through our weekly school masses, classroom visits, prayer services, and weekly religion classes that they help to teach. Thank you to these very special parish leaders!

As we look ahead to the 2021-2022 school year, there is much hope and enthusiasm about our continued growth and the opportunities we can provide for our students. Our applications are now open and available on our school websites. **Our priority deadline is February 1, 2021.**

I encourage any interested parish families to come visit and walk the halls of our fabulous school campuses. You will find that they are filled with love, faith, joy, learning, family, and friendship. Due to COVID-19 restrictions, this year we are not able to host open houses or tours during the school day. We are currently offering in-person tours on Mondays, Tuesdays, and Thursdays after school at 3:30 pm and 4:15 pm, or by appointment on other days/times. If your family is interested in exploring Saints Joseph and Francis Xavier Schools, I encourage you to contact our school offices to set up a time for your visit, so that you can witness our special learning environments firsthand! Please email: office@stjosephwilmette.com for Preschool and Kindergarten inquiries (St. Joseph campus) and office@sfx-school.org (St. Francis Xavier campus) for Kindergarten through 8th Grade inquiries.

Please keep our students and school community in your prayers as we journey through the second half of the school year, and we will do the same for you. Thank you again for the many ways that you support our students and the gift of Catholic education at Saints Joseph and Francis Xavier!

Best wishes,

Colleen Barrett Halaburt
