

CALL TO ACTION: Parish Survey

We want to hear from you! We are conducting an important survey with the Archdiocese of Chicago. The goal of the survey is to learn where you are in your faith journey, and how Saints JFX can improve your experience and faith development. The Disciple Maker Survey is going to all parishes in the diocese and will take 10 to 15 minutes to complete. Parishes will receive results in June, and we will share the findings with you. We will act on what we learn.

Saints JFX conducted our own survey in 2021. The overwhelming participation (~ 33% response rate) and thoughtful feedback provided great insight into the pulse of our parish. Survey findings enabled our Stewardship Committee and parish staff to collaborate on enhancing the overall sense of COMMUNITY within our parish. Below is a summary of actions taken based on study findings.

Added a Sunday evening **Family Mass at 4:45 pm** with student volunteers after learning that youth activities often conflicted with existing Mass times.

Established the **Saints JFX Men's Club** to actively engage the men in the parish.

Created a **School Board Community Liaison** to the Parish Council to increase school-parish engagement and collaboration.

Named **Area Captains** for the parish, organizing neighborhood socials to encourage local interaction and build a stronger community.

Created a **Welcome Committee** to prepare gift baskets and host dinners to welcome new parishioners.

Produced a **Parish Organizational Chart** to help ministries and their leaders work together and leverage our shared resources.

Updated our **Music Ministry** with more joyful and familiar songs to engage attendees.

Created an ACTION Student **Leadership Committee** to create content and further engage young people in the parish.

Saints JFX will continue to improve and build stronger community with YOUR help!
